

It's time to eat real, America.

FOOD DAY

OCTOBER 24, 2011

JOIN US AT FOODDAY.ORG

I am endorsing the Food Day principles because I crave a food system that:

- 1 Reduces diet-related diseases by promoting safe, healthy foods
- 2 Supports sustainable farms and reforms subsidies to big agribusiness
- 3 Expands access to food and alleviates hunger
- 4 Protects the environment and animals by reforming factory farms
- 5 Promotes health by reducing junk-food marketing to kids
- 6 Provides fair working conditions for food and farm workers
